

Petitions Studied On Incorporation Issue For District

In order to bring about an election to determine whether the community of Truckee-Donner shall be incorporated into a city, it is necessary to have petitions signed by 25 per cent of the property owners representing 25 per cent of the assessed valuation.

It was learned this week that the required 25 per cent of the assessed valuation is represented in the signatures and it is now being determined if there is a sufficient number of signatures. This should be learned in the immediate future and sponsors of the movement believe there are and that the major objective to bring the proposition to a vote has been reached.

As soon as the petitions qualify, the matter will be referred to the county formation commission which agency will determine if incorporation is advisable and feasible.

Then the petitions are referred to the board of supervisors and public hearings will be held. This will require at least 30 days, following which the board may set the date for the election. A simple majority is required for passage of the measure.

Dr. Ben King, who is heading the Truckee Donner Chamber of Commerce committee, said it is hoped the proposition can come before the voters not later than September so that the city, providing one is formed, can start benefitting from state assistance, tax refunds and other sources of revenue by 1966.

Future Of Donner Highway Is Still To Be Determined

Supervisor H. G. Loehr said that while no date has been set by the State of California for Nevada County to take over roads replaced by Interstate 80, including the Donner Lake and Donner Summit highways, he expected to receive notification either this month or early in July.

Whether the state will make the much needed repair on the road, is questionable, but Loehr said he would attempt to work out this problem with the state.

Floods last year raised havoc with the road along Donner Lake and culverts were found to be too narrow to handle the heavy runoff from the freeway area above the lake.

Prior to the start of the freeway, the county agreed to assume responsibility for the roads to be abandoned by the state and it is hoped that they will be put into repair prior to the county taking them over, but no assurance has been given that this will be done, Loehr said.

Hope Abandoned For Recovery Of Tot Lost At Tahoe

KINGS BEACH — Although a minimized search continues, virtually all hope for finding two year old James Bordenkircher alive was abandoned today after an exhaustive search by hundreds of officers, volunteers, prison camp inmates, helicopter crews, skin divers and specially trained dogs during the past six days failed to find a trace of the missing child.

James disappeared Saturday while his family, Mr. and Mrs. Jes C. Bordenkircher and his brothers and sister from Yuba City were unloading their car preparatory to spending a vacation at their summer home on Beaver street in Kings Beach.

The child had been left on the front porch and was out of sight for approximately 10 minutes before he was discovered missing. The family members spent an hour searching and then called in sheriff's deputies.

The massive search was started Saturday night and continued without a letup for five days. The area is rather primitive with wooded sections about the house which is some distance from Lake Tahoe. Virtually every foot of the area from Kings Beach to Martis Peak was searched thoroughly and skin divers found no trace of the boy in a nearby reservoir or in the lake.

A kidnap theory was discounted although all neighbors and nearby residents were questioned as to whether they had seen the boy. None had.

Forest rangers and the inmate crew from Hobart Mills joined in the search Sunday as did members of the fire department and hundreds of volunteers. It was probably the most complete and exhaustive search ever made in the North Lake Tahoe region and not even a foot print of the missing boy was reported found.

The youngster would have had to pass dozens of occupied homes to reach the lake which was more than 1000 yards from where he disappeared and no one apparently saw him if he wandered that way.

Sergeant Waters said the suspect would be returned to Nevada County for trial.

White caps and the blues of Lake Tahoe greeted our first sight from atop Mt. Rose last weekend. Relaxing on the beach seems odd after seven years of strenuous activity and instead of concentrating on writing we sit and gaze across the lake to the blue snow capped mountains.

The signs of a busy summer are becoming apparent and this Saturday will find Cal-Neva opening for the summer season. Charlie Smith also reports that Joseph Magnin opens the 18th and on the following Saturday the buffets and fashion shows will begin.

The Truckee Chapter No. 116 of the Order of the Eastern Star honored Deputy Grand Matron Louise M. Anderson at a reception Sunday June 6 at the Truckee Masonic

Temple, Dorothy and Victoria Corbin, worthy matron and John Corbin, worthy patron, James and Victoria McIver, hostess.

A presentation "The Picture Frame" depicted Louise's activities and Inez Jordan and Dorothy Sipes presented a pantomime entitled "The Car". Over two hundred persons attended the reception.

Back to Sandy Beach at Tahoe Vista for the summer is Mel Orr who is a longtime employee at Cal Neva.

Happy birthday, though belated, Louise Walter of Kings Beach who celebrated her natal day on June 11.

Lola Bacon of Ontario is visiting her sister and husband, Inez and J. C. Jordan at Incline Beach.

Edward and Dorothy Moore, former North Shore residents, are residing at Incline Village for the summer. Ed is associated with An-

gle Russo at Kings Beach in the used car lot. Dorothy is employed at the North Shore Club for the season. Glad to have you back.

Lydia Circle held their last meeting until fall on Monday night at the home of V. Ann Mandeville at Incline Village. Pearl Draney presented the program "The Women Society and its Relationship to the Church". Present were Arleen Reynolds, Noreen Marx, Fay Dean, Helene Hawkins, Vera Daegling, Cleith France, Pearl Draney and the hostess.

What a novel reception Walt Oliver received on his arrival from Stockton last week. Buzzing up to Tahoe in his unique sports car, Walt was greeted by Bob Garrow who informed him that Dr. Priddy of Tahoe Vista won the pool, having correctly set the time of his arrival.

The Olivers, Walt and Mary Lou and son Tom, a student at University of Pacific, will reside at Kings Beach this summer. Walt will be associated with Bob Garrow in the real estate office. Welcome to Tahoe, Olivers.

Carl and Betty Moran of Carson City were guests of Jon and Jerry Rayburn at their Incline Beach home this past week.

John and Jerry went to Woodland for Johnny's checkup and on to Walnut Creek to visit Jerry's sister and husband, Theresa and Tom Sutton, former residents of Kings Beach.

Stopping at Incline Village on his way to Chicago, was James Dwyer who visited his sister and family, Noreen and John Crom. The Dwyers are shortly moving from San Francisco to Chicago.

Dorothy Warrington and children, Cindy, Jeff and Bob, of Incline Village are visiting her parents the Ray Williams at Keokuk, Iowa. Daughter, Penny and niece, Holly McCauley of Sacc City, Iowa, will be with father and uncle, Jim. Holly is a senior at the University of Iowa.

Lucky Jerry Potts of Tahoe Vista. For the past several years an amateur gardener guest takes his vacation at this time of the year in order to plant and supervise Jerry's garden.

Now we have seen everything—we think. Visiting with friends, George and Dean Phillips at their home in Reno, we were given a tour of the premises. Walking into the garage we were startled to dis-

NEWS FROM DONNER TRAIL

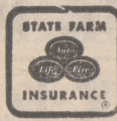

By Betty Kielhofer

Well, the second Annual Flyin' is all over and I might add, most successful. The barbecue turned out just fine and was very well attended. Although the winds were in gusts up to 30 miles per hour at times, we still had fifty planes at the airport and only a couple of small scrapes with the crosswind. Jack Houlgate and I were asked to fly to the south Tahoe Airport on Saturday to invite those people attending the new FAA Tower dedi-

cation over here on Sunday. The air was quite rough but his little daughter made it all the way without getting sick. She's quite a trouper! The winds were blowing as badly or perhaps a little worse over there and consequently, there wasn't much of a turnout but we did get to tour the new tower and it's very impressive. Young Ryan took off just about the time the speeches got under way and was caught by a strong gust, blowing him off the runway completely. After some two blocks of skipping through the sand and brush, he finally cut the power and came to a leaping halt. He was unhurt but well shaken.

Everyone was appreciative of Alex Stewart giving the golf course as the barbecue site and many of the flyers said they would like to come back to play there this summer.

Mike Popovich returned after a weekend in the bay area helping his son, Ron, build his new fishing boat. It's a big project but they are both very enthusiastic about it.

John and Leona Lloyd were Truckee visitors this week. They came up to take a fishing journey into the back country with the Jack Ellis. From indications so far, we might be in for a windy summer. It just doesn't seem fair when we have to wait so long, does it?

JOIN CHAMBER OF COMMERCE

DONNER DOINGS

By Vi White

Well vacation time is here again and wouldn't you know the weather would turn cold. The poor kids that took their first swimming lessons at Squaw Valley Monday were just about frozen. 40 degrees isn't very warm. Oh well, we did have one beautiful day last Thursday when it reached 80 and no wind.

The Donner Lake Water Ski Club had their first meeting at Donner Beach Saturday afternoon. President Kent Garrett led the discussion of all the work that has to be done to reset the slalom course that was practically wiped out during the Christmas storm.

They plan on having their annual open ski meet in August, probably the 8th.
Stop by and see Bob Jamieson, beach manager at the boat house if you're interested in the club. Bob says that the picnic, swimming and water ski areas are in good shape, all we need now is some warm weather.

Jack Marquette mentioned at the last Chamber of Commerce meeting that there is a possibility of having our own fireworks display here at Donner Lake over the Fourth of July weekend providing enough businesses donate towards the cost. It certainly would be nice to continue the event after so many years. What a view it will be from the new freeway.

Jim White and his family (no relation) came here to Donner Lake last winter and worked for Ransome Propane and liked the area so well that he bought his own business—the Rocket gas station at the east end of the lake by the park. Good luck Jim, hope you enjoy your precious view and have lots of business this summer.

Members of the Oakland Ski Club and their friends are having their first work party weekend and following last year's plan of saluting various nations, Saturday night will be an Argentine party with a genuine Pampas Bar-B-Q. The OSC lodge is located on Donner Summit with an outstanding view of the Sugar Bowl ski area.

The level of the lake is up to normal now and it sure looks nice. Have you caught any of those new fish yet? They sure are good fight-

ers, really fun to catch. They are a hybrid variety, a cross between a rainbow and a camaloop trout. Delicious eating too.

Don't forget boaters, there are two convenient gas pumps on the lake where you can fill the tanks without getting out of the boat. Jack Marquette's Donner Shore Resort at the west end and Sky Miles' Cottage Pines Motel pier at the east end.

Members of the Donner Lake Volunteer Fire Department Ladies Auxiliary will be meeting tonight. It will be the last meeting until September. To be discussed is the

success of the rummage sale last week and the coming house and cabin tour, August 1st.

We wish to welcome a nice young couple to Donner Lake, Kenneth and Leilani Ross bought the Fred Dukeman home on the upper side of the highway. The sale was made by Carson White of Swanson Realty.

Babette Housien is sporting a new Mustang these days—a beautiful aqua blue car.

And we understand that the newest craze is to skateboard down the old summit road! What next?

Critics Agree on Nevada Lodge Show; It's Great

CRYSTAL BAY—A consensus of press critics who have witnessed the exciting Vive Les Girls revue at the Nevada Lodge, North end of Lake Tahoe, shows that for once the critics agree with the public. Ever since the curtain rose a month ago on the new 1965 edition of Frederic Aparcar's startling Vive

Les Girls revue, the audiences have been vying with the critics for superlatives to convey the magnitude of the show which was conceived and produced in Paris—the mecca of great stage revues. One critic was moved to switch from his normal English to laud the show in an unaccustomed French—"Le plus jolies des tout le monde" . . . "the most beautiful in all the world".

The Nevada Lodge outdid itself and set some sort of lavish record for entertainment acts by booking the new '65 edition. Staging, choreography, music and the girls . . . the girls are almost beyond belief in artistry and beauty.

The masterminding of producer-director Frederic Aparcar stands out in every song and every dance. With an all-new cast and line-up, Aparcar has woven music, dancing and comedy into an artistic presentation of unequal proportions. Aparcar's protegee Heather Darvi, lead model and French dancer,

lends a touch of Paris in her graceful movements. She is abetted by a line of dancers and show girls "The Mannequins de Paris", who wear the fabulous costumes selected by genius Aparcar.

The new edition, like the second edition last year, will certainly smash all attendance records at North Tahoe's largest year-round resort-hotel-casino.

The Goofers with Carl Carsony, who bill themselves as "a most unique and strange association" lend a comedy touch to the show. Bonnie Baker returns to the new revue to repeat her popular song styling in the American manner. Adding another continental touch is the singing of Cyril Dalin, who captures the French mood of presenting a song.

Throughout the entire panorama, the orchestra, directed by John Carleton, keeps pace with the constantly changing stage activity.

Alternating with the Vive Les Girls revue are the fabulous Ink Spots, one of the most renowned vocal groups in history. Led by Charles Gray, the Ink Spots combine many of the old favorites of yesteryear with modern adaptations of today to present a show that appeals to every entertainment seeker. The Ink Spots will entertain through July 1.

Show times for the Vive Les Girls revue are 9 p. m. and midnight nightly, and 9 p. m., 11:15 p. m. and 1:30 a. m. Friday and Saturday. Dinner is served immediately prior to the 9 p. m. show.

With all new acts and a corps of international beauties, the Vive Les Girls show is a revue that makes a visit to the Nevada Lodge this summer a "must" event. Reservations are advised if last year's SRO business is an indication of the demand created by this exciting, adult revue. Cameras are forbidden during show times . . . and, of course, the show is for adults only.

TAHOE FREEWAY IS SET FAR IN FUTURE

Members of the Lake Tahoe Area Council were advised last week that a four-lane freeway around Lake Tahoe is not planned for at least six or eight years.

But, according to Russell J. Cooney, deputy director of the department of public works, some type of super highway ringing the lake will probably get top priority when more federal interstate highway funds are available.

Daughter, Myra Murdock and children, Tommie, Tammie and Colleen of Reno spent several days last week with the H. R. Howards at Kings Beach.

Bob and Tally Daneri of Kings Beach attended the Lions Club convention at Fernley last weekend. Accompanying them on the trip were Bill and Audrey Adams also of Kings Beach.

Timmy Flagg, young son of Johnny and Virginia Flagg of Kings Beach, enjoyed a vacation in San Jose with Sharon Pusatori. Parents went down to bring their son home and also had fun too.

Happy to see Dennis Ludlow visiting the north shore following graduation from Sierra College. Congratulations upon graduation, Dennis.

Chatted with Carlton Konarske at the Nevada Lodge prior to seeing the Vive Les Girls show. Better than the previous two and the nice part is that the show was produced here this year instead of Las Vegas as in the past.

Women's Club of North Tahoe met at the North Shore Club on Monday with president, Eleanor Egan, presiding at the business meeting. Main topic of the day was the fashion show being sponsored by the Women's Club for the fifth year. Betty Scoglund of KOL-TV's "Be My Guest" will MC the show as well as bring models and fashions from several Reno stores. A surprise intermission show will be given and promises to be most interesting.

Several parties from Reno plan to attend the event and Florence Murphy will be back from Mexico in time to be present. Emma Jean Hume is planning a table. Inez Jordan, chairman, is busy as can be coordinating the luncheon and show. Those interested in attending must make reservations early because of the tremendous interest.

already shown—don't be disappointed—the show will be Wednesday, July 7, at the North Shore Club Hotel noon. Donation is \$4.50 and a free cocktail will be given courtesy of the North Shore Club. Phone Inez at 841-0681 or Deede McKinney at 546-2143 for tickets or a member of the club. See you there.

Svend Rasmussen, executive chef of Del Webb's Town House in San Francisco, was a guest on the North Shore last weekend. Svend's attractive wife accompanied him on the short vacation. He will oversee the setting up of the new department at the new Del Webb hotel on the South Shore.

Peter Paxton of the Tahoe Racquet Club at Incline Village anticipates a large attendance at this weekend's tennis tournament. Celebrities who plan to be present according to Peter are Eric Fleming, Efron Zimbalist, Richard Egan, Sandra Giles, Connie Stevens and invited are Dinah Shore, Charlton Heston, Gilbert Roland, Barry Sullivan and Janet Leigh, all of whom are members of the club.

Finishing in third place in the Harrah's Gold Tournament was Peter Paxton of Incline Village and the Tahoe Racquet Club.

Appreciation for the assistance given by the Washoe County Jeep Squadron in the rescue of his son, Jon, was expressed by Capt. Harry S. Hooper, U. S. N. (Ret.) when he donated a check to commander of the jeep squadron, Dr. Wesley W. Hall of Reno. The search and rescue unit, affiliated with the Civil Air Patrol and operating under the direction of the Washoe County Sheriff's office, dispatched a number of units May 21 to assist in the rescue of Jon who was injured in a fall while hiking to Price Lake on Mt. Rose. Harry also attended a training outing of the jeep squadron which culminated Tuesday night at a camp fire in the hills east of Reno.

The Kirbys have leased the coffee shop at the Horseshoe Lodge operated by Bill and Bonnie Bates at Tahoe Vista. The Kirbys will be remembered in Tahoe Vista having operated Sandy Beach coffee shop eight years ago and the past

several years having a shop in Kings Beach which they sold last year.

Construction is going on at the Crystal Bay Club—a new snack bar and extension of the casino.

The second annual golf tournament sponsored by the North Shore Club Hotel was held last weekend at the Incline Village Golf Course, with the Santa Rosa Golf & Country Club organizing and promoting the affair, with Bob King and Lou Viarengo of the Santa Rosa club responsible for arrangements. Reg Renfree of Sacramento was a valuable assistant.

The Sunday morning breakfast was MCed by none other than Jimmy Hume who, if he weren't already one of the busiest men on the North Shore, could find another profession in the field of MCing. Harold Murphy lent a helping hand. He is back from Alamos, Mexico, where he and wife, Florence, have their hacienda.

Winners in the tournament were Pete Perelli, low gross score 79, Lou Viarengo low net, 67, Dante Tonelli, 3rd, score 69, Jack Hyatt 4th, score 72, Chick Magnum, 5th, score 74, Dan Camelli and Lenny Costanzo, 6th and 7th with a 75, H. Harmony 8th, Pete Perelli, 9th and Pat Nevin 10th with a 76 score. Ladies low gross was Marie Hunter who also scored 3rd with a 102 and an 83, Blanche Hansen was low net, 77, Ruby Hall, Julie Pickett and Anita Nelligan, 4th, 5th and 6th with an 86 score; Pat Miramonte 7th, and Wanda Buzzini 8th with an 87 each.

Everyone pronounced the event a huge success and are planning a return visit.

Happy birthday to a great guy, Jimmy Hume, who celebrated his natal day June 5th.

Back to the North Shore for the summer are Laurie Vickers, better known as Tex, completely recovered from a serious accident last fall at the close of the season. Millie Tyree, Lou Currie, Eleanor Egan, Mary Hamblen, Ruth White, Billie Parker back from Palm Springs, and Maggie Dillon are familiar faces from past years.

Yes, Emma Jean, you are right, steak and sweet rolls for breakfast. When did we ever have anything else but steak and those extra special rolls. Many, many thanks, Jimmy, for the invitation, introduction and the kind words.

Harold Murphy will return to his home at Alamos, Mexico, the last of this month and returning with him for a summer visit will be his wife, Florence. The pictures of their estate "La Hacienda" are unsurpassed. The setting is beautiful and we wonder that the Murphys ever leave it. A pictorial guide to Sonora's colonial monument features their restored villa as well as the November 1964 Arizona Highway magazine which featured Our Neighbor to the South, Sonora, Mexico.

Won't they be surprised when we drive in on our vacation next summer for a visit after a casual invitations. Perhaps after this, engraved invitations will be in order.

Happy to report that Guy and Gloria Michaels of the Christmas Tree were dinner guests Friday night at the North Shore. Guy recuperated from his recent hospitalization and looking great.

The Crystal Bay Club, North Short Club Hotel and Nevada Lodge are sponsoring a gold tournament this coming weekend to be supervised by pro George Baer of the Incline Village Country Club golf course.

\$85,000 Suit Filed Against Tahoe Club

RENO—Harold Levin, Berkeley, has filed suit in the Washoe County District Court seeking \$85,000 in damages from Crystal Bay Club and Merle Mullenfore, an employee, charging that he was wrongfully charged and placed in jail through action of the club.

Levin alleges that on August 27, 1964, he was illegally detained by Mullenfore and turned over to a peace officer and held against his will. He alleges that the charge of disturbing the peace brought against him was untrue.

Levin also claims that Mullenfore "wilfully, wantonly and maliciously slandered and defamed the plaintiff" by filing a claim with the Nevada Industrial Commission charging Levin with assault and illegal entry on the premises of the club. Levin claims the charges are untrue.

CHAPPIE'S MEAT BILL SIGNED BY GOVERNOR

Assemblyman Gene Chappie announced that Governor Brown has signed Assembly Bill 1257 (Chappie) into law. The measure is aimed at protecting the consumer in the purchasing of quick frozen meats. Chappie said, "This bill is a most important bill which assures people having meat or meat products quick frozen that the freezing process will be adequate. This measure will stop inadequate freezing relative to blast or still air methods." Under this law the housewife can be assured that she has a quality meat product after processing and freezing.

DIVOT DIGGERS BY DOT

All the ladies who journeyed down to Grass Valley on last Tuesday reported a great day. Had a coolish day of golf and a delicious luncheon. Those who attended were Norma Russell, Majel Rose, Eva Besio, Georgianna King, Rita Vail, Barbara Zorich, Ruth Waller, Liz Carroll. Lady golfers also came from Alta, Sierra and Auburn Valley.

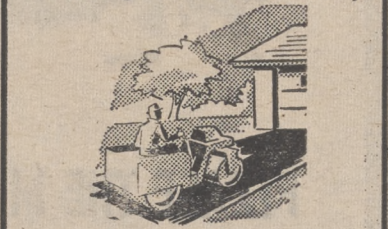

There was a meeting held last Thursday evening. We were reminded again to get in our dues to the country club. Can't have many activities without it.

Norma Russell and Majel Rose are putting up a chart in the club house to start an eclectic which will run from Saturday the 19th until the first of August. They will have the envelopes for your two dollars. The ladies handicap cards have been brought up to date. Because of the end of school activities and the cool weather there have not been too many scores posted.

Understand Ronnie Walker had an eagle on five the other day playing with the boys.

Friends Invited To Golden Wedding

An open house to celebrate the 50th wedding anniversary of Arthur and Margaret Bickford is planned for Sunday, June 27, on the Home Cattle Ranch between Lincoln and Penryn.

Hosts for the affair will be their children, Jim Bickford, Myrtle Jane Findley and Betty Gergin. Their many friends and acquaintances are invited to drop in during the open house to renew friendships and share in the festivities.

Arthur is a native of Penryn, and has been a cattle rancher in Sierra, Nevada and Placer counties on portions of land which was settled by his pioneer father in the 1870's.

Margaret was the ninth daughter of the late Lewis Tomlinson Biggs, who settled as pioneers in the Folsom and Nye districts of Sacramento County. They were married in the First Christian Church of Sacramento on June 27, 1915, and spent their honeymoon at the San Francisco Fair in that same year.

Returns North—
Mrs. Freda Coffey returned from Las Vegas and is planning to attend the summer course of study at Tahoe City. She is recuperating from surgery, performed in the south.

The reign of the manuscript book extended from remote antiquity to the middle of the fifteenth century.

CHRISTIAN SCIENCE BOARD URGES UNITY

The Christian Science board of directors today urged its church members to find the areas of agreement which exist with other denominations.

The message was presented before an estimated audience of 7,000 Christian Scientists who attended their annual meeting at the First Church of Christ, Scientist, in Boston.

Christian Science has much in common with other denominations, the directors said in their message, and added: "To every honest adherent of any God-centered faith sincerely working to uplift and unify the human race, we offer our fellowship and support."

Mrs. Frances S. Wells, a Christian Science teacher and practitioner from San Antonio, Texas, was announced as the new president of the church for the year ahead. She takes over from Edward Froderman, a former vice president of a Chicago bank.

In one report to the meeting, it was disclosed that the number of Christian Science branch churches has now reached the 3,300 mark, with recent additions in Argentina, The Netherlands, New Zealand, and for the first time in Guatemala and Korea.

Next year, the church will undertake a vast development program to enlarge its headquarters offices in Boston.
